

Preparing for a CQC Inspection

Making your inspection count

Medway Council are working in collaboration with Skills for Care, to provide development for local social care services who are involved in CQC inspections. The seminar will help you understand, prepare for and implement the latest changes to CQC inspections.

Wednesday 12

February 2020

09:30 - 15:30

Room 9, Gun Wharf,
Dock Road, Chatham,
ME4 4TR

**£98 per
person**

**Tea and Coffee will be
provided on the day,
please ensure you bring
your own lunch.**

We'll draw on the latest best practice to help you:

- Learn about the changes to inspection and the impact they have on your management and workforce practice
- Understand the inspection approach, what inspectors are looking for and how this translates in practice
- Identify practical resources to support workforce development, improve your practice and evidence your success, including an evidence and action planning tool
- Identify the key characteristics of good and outstanding care

You'll have the chance to network with peers and discuss your service's specific challenges and issues.

This course is aimed at anyone who is responsible for CQC inspections and quality and improvement in adult social care services, including:

- Registered Managers • nominated individuals •
- learning and development leads • quality leads •
